## PART 1

15:00 - 15:10

### Welcome & Short Introduction of the workshop

Aim, objectives, expected outcomes and brief overview of the agenda

MSc. **Matilda Naço**, University of Tirana | C4T partner

15:10 - 15:40

### Session 1: Presentation of the Handbook on ICZM/MSP Practices

This session will introduce the key concepts, case studies, and practical applications featured in the Best Practices Handbook.

Particular emphasis will be placed on how spatial planning practices are institutionalized, enforced, and sustained across various contexts, highlighting the mechanisms and strategies that support long-term implementation and stakeholder engagement. Interactive prompts are used to encourage participation, reflection, and exchange before and after the presentation.

PhD. **Andrian Vaso**, Environmental Expert | Marine Biology & Integrated Coastal Zone Management

15:40 - 15:50

### Session 2: Best Practice Case Highlight

Presentation of Practice No. 5: “Co-Evolve Sustainable Tourism Toolkit”, developed under the leadership of the University of Thessaly.

This session will introduce the toolkit and its indicators, showcasing it as a best practice in applying the ICZM Protocol principles, with particular emphasis on monitoring and surveillance mechanisms.
